RE: United States v. Pacific Gas and Electric Company
No. 3:14-CR-00175-WHA

Your Honor,

At the hearing on February 19, 2020, the Court requested that PG&E provide a schedule of when the CPUC will consider issues related to PG&E's executive compensation. Those hearings are scheduled to take place from February 25, 2020 through March 4, 2020, as part of hearings on the Plan of Reorganization Order Instituting Investigation (I.19-09-016). The hearings will occur at the CPUC's Headquarters at 505 Van Ness Avenue, San Francisco and will be webcast.

A schedule of appearances for PG&E's witnesses has not yet been established and PG&E does not know the precise days during which the CPUC will hear testimony related to executive compensation.

Respectfully submitted,

Kate Dyer
